 Temperature: Air _____, Surface _____, Bottom 82
 Visibility 60-80'
 Computer yes

Comments (Suggestions: activity/type of dive, location, dive boat, diving conditions, equipment, aquatic life, underwater geography/topography)

Easier to Carry gear to water from truck if you rig up fully & Backpack it than Carry all peices down Separately.

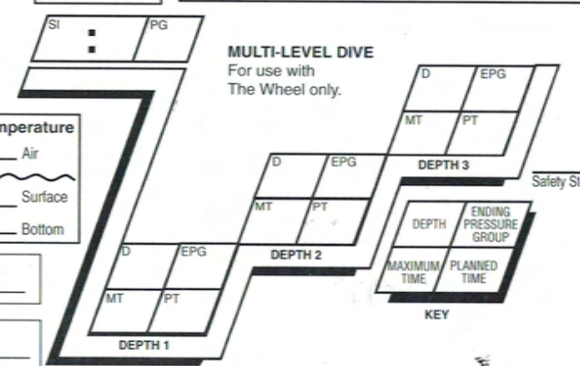

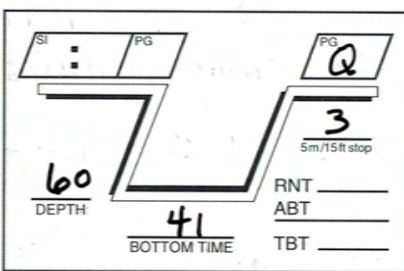

Greg got reef rash on leg by Stumbling on entry. He wore a shorty.

Bottom Time to Date 134
 Time This Dive + 25
 Cumulative Time = 159
